

Living Options Expense Comparison

How to Use This Worksheet

- Populate "Costs at Home" with your actual monthly costs
- Calculate all monthly "Costs at Home" and populate the total at the end
- Compare your monthly costs at home with your Thrive community and another senior living community.

At Thrive, we've dedicated our lives to ensure there is purpose in every breath of each resident we're honored to serve. We understand that older adults and their loved ones depend on us not only to live, but to live well. It's a challenge we welcome every day.
